

2009 Fritz Winery Russian River Valley
Chardonnay

FRITZ

Technical Data:

Acidity: -0.76g/100mL

pH: 3.31

Appellation: Russian River Valley

Alcohol: 14.3

Case Production: 5,000

Notes:

This 2009 Russian River Valley Chardonnay expresses a complex array of aromas and flavors.

The wine opens up with an intense bouquet of lemon zest, orange blossom and papaya, as well as subtle layers of limestone, wet cement and flint.

Bright acidity leads to a rich silky texture with flavors of fresh tropical fruits, a hint of vanilla bean and lingering ripe apricot.

Enjoy,

Clayton B. Fritz *Brad Longton*
