

2007 Fritz Winery Estate Zinfandel

FRITZ

Technical Data:

Acidity: 0.72g/100mL

pH: 3.5

Appellation: Dry Creek Valley

Alcohol: 14.8

Case Production: 1,000

Notes:

The grapes for this wine are grown on the valley floor of the winery property.

This unique sight produces wines that are rich in color, with aromas of blackberries, blueberries, and licorice.

With aromas of violets and chocolate this wine has well-structured tannins and balanced acidity that lead to flavors of blackberry, cherries and licorice.

Enjoy,

Clayton B. Fritz *Brad Longton*
